## CITY DRUG STORE.

### MISSOURI MATTERS.

C. L. Bartlett is preparing to open a pork packery in Carthage.

A sixteen pound girl baby was born in Jefferson county last week.

The Chillicothe skating rink company will establish a rink at Lexington.

The cemetery at Poplar Bluff is situated in the heart of the town.

The work of doubling the capacity of the Rich Hill smelters has commenced.

Perry and St. Genevieve counties are shipping large quantities of pecans.

Mr. Gill, of Barton county, near Arcadia, has 2,000 head of sheep and 200 stock cattle.

Horses and mules are dearer in Phelps county than they have been for many years.

The enterprising citizens of the Sono are going to build a \$20,000 city hall.

The Greenville Journal says Wayne county has redeemed its last bond, and is now out of debt.

Piedmont is rapidly improving. Four years ago the population was 700 and now it is nearly 1,500.

Frank Pierce sold his farm near Fairville, Saline county, to John Johnson for \$60 per acre.

The Ste. Genevieve Copper Mining company, at a depth of 132 feet, have struck a very rich lead ore.

A young married man in Howard county attempted suicide, last week, because his first born was red-headed.

J. R. Cromwell, a Macon hotel man, is of fifteen heirs among whom will be divided \$250,000 left by an uncle.

An Ohio man has purchased the Walter G. Nunn farm of 160 acres near Antioch, Pike county, for \$3,000.

If you are a woman and want both health and beauty, remember that all superficial efforts to increase your personal charms are vain. Freshness and beauty accompany health, and to secure this Mrs. Lydia E. Pinkham's remedies are all female weakness offer the surest mean of renovation. The highest intelligence loses its lustre when it must find expression through a bilious complexion. Good for either sex.

### Hop Bitters are the Purest and Best Bitters Ever Made.

They are compounded from hops, malt buchu, mandrake and dandelion,—the oldest, best and most valuable medicines in the world and contain all the best and most curative properties of all other remedies, being the greatest blood purifier, liver regulator and life and health restoring agent on earth. No disease or ill health can possibly long exist where these bitters are used, so varied and perfect are their operations.

They give new life and vigour to the aged and infirm. To all whose employments cause irregularity of the bowels or who require an appetizer, tonic and mild stimulant, Hop Bitters are invaluable, being highly curative, tonic and stimulating, without intoxicating.

No matter what your feelings or symptoms are, what the disease or ailment is, use Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable, use Hop Bitters at once. It may save your life. Hundreds have been saved by so doing. \$500 will be paid for a case they will not cure or help.

Do not suffer or let your friends suffer, but use and urge them to use Hop Bitters.

Remember, Hop Bitters is no vile, drugged, drunken nostrum, but the purest and best medicine ever made; the invalid's friend and hope, and no person or family should be without them. Try the Bitters to-day.

Arabi wants to be exiled to Damascus or London, he is not very particular which.

### TEXAS TOPICS.

The Texas Legislature meet on Tuesday, January 9, 1883.

It is now highly probable that the International Railroad will soon be extended beyond Columbia to the town of Brazoria, which is situated eight miles lower down the Brazos River.

The authorities at Brenham are determined to put down the roughs and rowdies who have for so long attempted unsuccessfully to take charge of the town, and the City Marshal has offered a reward of \$10 for information leading to the arrest of any one discharging firearms within the city limits.

The cotton crop of Texas was put down at 1,000,400 bales before the recent frost and the corn crop was estimated at 25,000,000 bushels. These figures will be slightly reduced but there will not be any material change made, and it can be claimed truthfully that Texas is the leading agricultural State of the South.

It is stated on pretty good authority that one-fourth of the cotton crop in this State still remain in the field. The recent rains did no very great damage to cotton already opened, but the frost that followed killed nearly all unopened bolls. Cotton picking and marketing has been completely checked for several days past.

Parties from West Texas report that the plains west of Big Springs along the line of the Texas and Pacific Railway are litely covered with anelope. It is supposed they have been driven from the Panhandle, the Indian Territory and mountains of New Mexico by the sudden cold weather and severe snow-storms.

Frank Frayve is frantic over the death of Mrs. Von Behren, who he accidentally shot that Thursday night. He will be bailed out and accompany the body to Brooklyn.

The funeral of Congressman Updegraff, who died Wednesday, will take place Monday next at noon at Wheeling, W. Va. A congressional committee will attend.

### HOUSEHOLD NOTES.

Food should never be mixed on the plate.

Arasene embroidery is now used to decorate the plush frames for beveled mirrors.

Oranges are held on a fork while peeled and are divided without breaking the skin.

Cheese should never be touched with the fingers, but crumbled and eaten with a fork.

An acceptance or regrets should be sent as soon as possible after receiving an invitation.

An odd ceiling for an elegant draying room is of cathedral glass said to have cost \$5,000.

A gentleman should not shake hands with a lady, not a relative, unless she offers to do so.

Cheap and pretty bedroom curtains are of cheese-cloth, trimmed with very deep torchon lace.

There are new English rugs which make pretty and inexpensive coverings for parquetry floors.
